

In this usage guideline, we will be explaining how you can connect a Simple Job Board plugin with its mobile app by using [Mobile App Connector Add-on](#).

## How to use the Mobile App Connector Add-on with the mobile app?

### Step 1: Plugin Installation

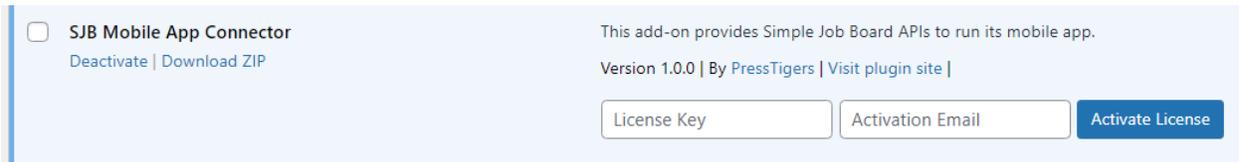

[Download](#) and install the Mobile App Connector Add-on on your website.

Link: <https://market.presstigers.com/product/mobile-app-connector-add-on/>

### Step 2: Plugin Activation

i) Go to your marketplace “My Account” and under the License Keys tab, copy your activation key.

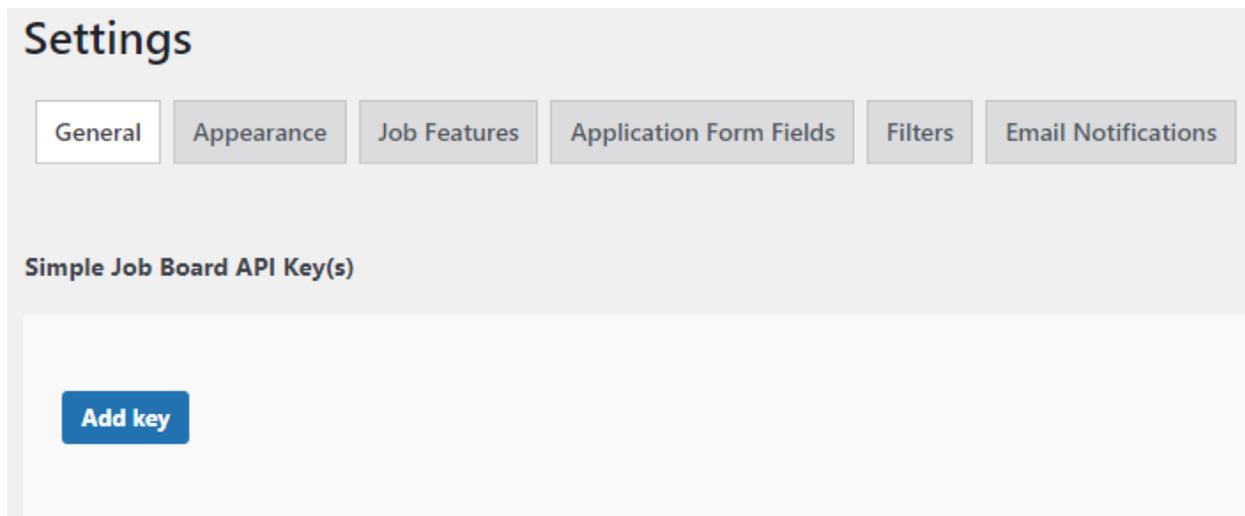

ii) Please add the license key and billing email to activate the plugin.

The screenshot shows the activation interface for the SJB Mobile App Connector plugin. It includes a checkbox to toggle the plugin on or off, with links for 'Deactivate' and 'Download ZIP'. To the right, there is a description: 'This add-on provides Simple Job Board APIs to run its mobile app.' Below this, it shows the version '1.0.0' and the developer 'PressTigers', with a link to 'Visit plugin site'. At the bottom, there are two input fields: 'License Key' and 'Activation Email', followed by a blue 'Activate License' button.

### Step 3: Configure API Keys

Go to Job Board > Settings > API and click Add Key button to generate keys and QR code.

The screenshot shows the 'Settings' page for the Simple Job Board plugin. The 'Settings' title is at the top left. Below it are several tabs: 'General', 'Appearance', 'Job Features', 'Application Form Fields', 'Filters', and 'Email Notifications'. The 'Job Features' tab is currently selected. Underneath the tabs, the section is titled 'Simple Job Board API Key(s)'. At the bottom of this section, there is a blue button labeled 'Add key'.
